ABOUT:

Have you considered an NHS career in Primary Care?
There are a large number of different job roles available
to suit everybody!

Come to our Primary Care Recruitment Event to find out
more about the job roles, speak to teams recruiting and
get support with job applications and interview
techniques.

Bring copies of your CV to leave with potential employers
or just come along to find out more about different career
pathways.

Register now for more information and address details!
